Sub: MGNCRE- Bharat Ratna Nanaji Deshmukh Rural Apprenticeship Programme 2022-23.

With reference to the subject cited, MGNCRE is pleased to inform you that you are selected for the Bharat Ratna Nanaji Deshmukh Rural Apprenticeship Programme 2022-23, for a period of one year. The below mentioned tasks, terms and conditions are required to be followed by each Apprentice.

Mahatma Gandhi National Council of Rural Education is promoting Rural Higher Education on the lines of Mahatma Gandhi's revolutionary ideas on education so as to take up challenges of micro planning for transformation of rural areas as envisaged in NPE 1986 (as modified in 1992); and as it was suggested by Radhakrishnan Commission (1948). This is being undertaken by working with higher educational institutions belonging to Management Sciences, Social Work and Teacher Education for mainstreaming curricula addressing challenges of rural communities for finding appropriate options promoting rural livelihood and entrepreneurship.

The intention of the Council is to consolidate network and develop Rural Institutes and endow them for recognition. MGNCRE intends to develop Rural Institutes into Regional Development Institutes and Rural Universities which shall function as hubs for knowledge connectivity and emerge into effective agent for rural transformation in backward regions through voluntary initiatives wherever possible. In course of this work this council would be regulating the quality of education of rural institutes and educational programmes in the area of rural higher education of all the Universities in India.
