

Athawale College of Social Work, Bhandara, since its inception in 1992 has been persistently making efforts to keep pace with ever-changing scenario in social work education. The College has a rich legacy of social service for social development in rural, urban and tribal community. Innovative teaching methods, exercise of conducting programs on current social issues, and contribution in sustainable social development can be pointed out as some of the features of the college.

The role of education is definitely not limited to giving and grasping knowledge and theory. The institution provide Professional Social Work Education to create next generation, citizens of character, strength & confidence through focused teaching, field work training, all round grooming, individual attention and personality enhancement to produced a cadre of professional social workers with value based social work education to promote competent human functioning.

The ultimate goal of professional social work education is awakening the life of weaker section and marginalized people.

The College always focus on the institution's vision, mission and working methodology to assure the standard of the student's performance through value added education and research. The main focus of the institution is to render quality affordable education committed to the upliftment of the marginalized and also to make higher education inclusive.

The college also aims at vitalizing the learning skills with a focus on futuristic demands, vitalizing teaching learning process, ICT, Human Values, and functional relationship with all the stakeholders for the holistic development of the individual and society.

College also strives to create virtuous, meritorious personalities and to prepare professional, creative, and humane students to serve the humanity by setting a commendable tradition of initiative and imagination. The institution stands apart from all other colleges by placing greater emphasis on producing professional students by providing value-based education and enabling the students to face challenges in modern life.

The institute aims at instilling a sense of self-discipline and accountability among students and developing a respect for democratic, ethical, and moral values. To bring out the concealed talents of the students every year the institution conducts Annual Cultural and Sports Day.

The institution has provided the best possible facilities in terms of infrastructure for teaching, learning and sports activities to make a student, complete in all dimensions. The Classrooms, Library and Administrative office are highly conducive to the overall academic environment. **College has its solar system and water harvesting for the conservation of environment.**

Institution has been passionate about making a positive impact on student. Externally, we are driven to deliver our mission and convinced of the transformative power of professional social work education and research to them for their betterment.

We aim to deliver an exceptional education and to make significant contributions to society-locally, nationally and internationally. Institution consistently inspires students and provides a platform for methodological skill development, ethical and human value development.

Following is some key factors for institution's distinctiveness:
